

PayU Finance – Introduction

PayU Finance India Private Limited (“**PayU Finance**”) is a private limited company incorporated under the provisions of the Companies Act, 1956 and having its registered office at Wallace Tower, Second Floor, Crossing of Sahar Road, Vile Parle East, Mumbai, Maharashtra, 400 057 India. PayU Finance operates as a non-deposit taking non-banking financial company (NBFC) and has been categorized as Middle Layer in terms of the RBI master directions. PayU Finance primarily engages in application-based unsecured lending which comprises of loan products such as personal loans, consumer loans, transactional credit, and business loans. The category of borrowers to whom such loans are offered include consumers, individuals and merchants. Further, the loans offered by PayU Finance are made available to the borrowers through: (a) PayU Finance’s own digital lending applications (“DLA”), and (b) the DLAs of its affiliate companies and other partner lending service providers. PayU Finance is also exploring opportunities to venture into the secured lending segment. As part of this initiative, PayU Finance has begun acquiring loans through direct assignment agreements with other financial institutions, which are secured by mortgage of properties or by hypothecation of assets of the Borrower or other obligors

PayU Finance conducts its business in accordance with applicable laws, rules, regulations, standards, codes and with proper regard for ethical business practices.
